Work Experience

Frontend mentor

NexaScale - Lagos

June 2023 to Present

- Frontend Mentor at Nexascale, specializing in teaching HTML, CSS, JavaScript, and ReactJS to aspiring developers.
- Successfully mentored 15 students through a comprehensive 12-week program.
- Demonstrated a 50% increase in students' practical coding skills, showcasing the effectiveness of tailored mentorship.
- Utilized interactive projects and real-world challenges to enhance students' hands-on development abilities.
- Fostered a growth mindset and encouraged continuous learning, driving students to exceed their potential.
- 20% increase in productivity observed as students applied newfound skills to boost project efficiency.
- Enabled students to confidently tackle frontend development tasks and prepared them for successful career transitions.

E-commerce Website

May 2023 to June 2023

- E-commerce website developed using HTML, CSS, and JavaScript, utilizing Django as the backend framework.
- Ensured seamless user experience across all devices with a fully responsive design.
- Optimized the codebase, resulting in a remarkable 30% improvement in website performance and loading speed.
- Implemented robust security measures to safeguard sensitive user data and transactions.
- Successfully integrated payment gateways and streamlined the checkout process for enhanced customer convenience.

Gyft

Utilized ReactJS to develop a dynamic and user-friendly e-commerce application. The project featured essential functionalities such as an "Add to Cart" feature, a robust search capability, and a seamless user experience where clicking on a product redirected the user to a dedicated product description page. This project showcased my proficiency in front-end web development and my ability to create an engaging and interactive online shopping platform.

Education

Bachelor's degree in Medical Biochemistry and Molecular Biology.

University of Nigeria Nsukka - Enugu

September 2019 to Present

Certificate Level in Software Engineering

ALX - Remote

August 2022 to September 2023

Skills

- Web Developer (3 years)
- ReactJS, React Native (2 years)
- Python Django (1 year)
- HTML and CSS (4 years)
- JavaScript (3 years)
- Product Designer (3 years)
- Figma (4 years)
- Python (2 years)
- C (1 year)
- Django Rest Framework (1 year)
